## Status report on KEKCC and Grid systems

*Thursday, 13 April 2023 10:00 (20)*

The KEK Central Computer System (KEKCC) provides large-scale computer resources, including Grid computing systems, and essential IT services, such as e-mail and web services to support many research activities in KEK. The current status of KEKCC and Grid systems will be reported in this presentation.

### Speaker's Name

Tomoe Kishimoto

### Speaker's Title

Dr.

### Speaker's Gender

Man

### Speaker's Pronouns

He/Him

### Speaker's Preferred name (if any)

**Primary author(s) :** KISHIMOTO, Tomoe (High Energy Accelerator Research Organization)
