

# ANBUG-AINSE Neutron Scattering Symposium, AANSS 2018

## Monday 19 November 2018

### Topical Session 3: Earth & Environment (15:45-16:55)

-Conveners: Anna Leung

time	[id] title	presenter
15:45	[56] Neutrons Illuminate the Muddy World of Clay – Water Dynamics	Dr GATES, Will
16:15	[20] Thermal expansion and phase changes of methane and nitrogen at Pluto temperatures	Dr MAYNARD-CASELY, Helen
16:35	[89] Neutron micro-CT as a non-destructive tool for Palaeontology in Australia	BEVITT, Joseph
